Lance Holt School

This Strategic Plan focuses on longer-term priorities of our school and sets ambitions for the future of the school that will make a real difference for our students & the school community.

Our vision for Lance Holt School is to construct a community of learners who are recognised as compassionate community members and innovative thinkers.

OUR OBJECTIVES

Learning and Wellbeing

To ensure that learning & wellbeing go hand in hand, by nurturing the whole child.

Governance

To govern, set and consolidate school strategic direction and policies in a responsible, sustainable and caring manner.

Sustainable Future

To maintain and secure a sustainable future for our current and future students.

Community

To cultivate and sustain a positive and connected school community for students, families and staff.
